County Clerk Announces New Plate Series

Hudson - Columbia County Clerk Holly Tanner is pleased to announce a new plate series – HT plates. “I was approached by several people telling me I should look into getting my initials as a new Columbia County plate series. Don Tkacy did this when he was County Clerk – there are DT plates out there; well, now drivers will have the option of getting HT plates, from HT1 through HT 200,” stated Tanner. Columbia County also has special issue plates CC for Columbia County, HD for Hudson, 1CC and 7W along with the DT plates. “Low number plates seem to be popular with a lot of people, I get a lot of requests for those”, stated Tanner. Seven plates from the new series are already issued in another registration class and are therefore not available Tanner said, and requests for favorite numbers are already coming in, HT 49 for example is one that is already promised. “That stands for someone’s favorite football team, the San Francisco 49ers,” stated Tanner. Residents interested in getting in on the new trend should contact Tanner at the County Clerk’s office, 828-3339. As a special promotion, Tanner will change the plates on the vehicle of any person coming in to request the new HT plates – rain, snow or shine.
